THINKING ABOUT RELEASING EQUITY?  
YOU CAN TRUST US TO HELP

**Sam Newton - CILEx Conveyancing Practitioner**

*"Equity release is a way of gaining access to otherwise tied up equity (money) from your property. It is only available to homeowners over 55 & can be a confusing topic especially for elderly clients. Some have questions about the long-term impacts, or the difference between lifetime mortgages and home reversions, while others may not fully understand what happens when you pass away."*

Sam is our specialist in equity release and has a decade's experience in conveyancing. She is also a CILEx Conveyancing Practitioner.
