

Combined Will & LPA Discounts

TALK TO US FIRST
WE'RE CLOSER THAN YOU THINK

We understand and recognise the feeling of wanting to get your affairs in order as you age. We often write articles on the importance of having an up to date Will. Many people think about a time in the future where they may not be able to fully look after their own affairs.

A Lasting Power of Attorney is a way to let someone act on your behalf and make decisions for you - this could be a family member, friend or anyone but you must trust them to make decisions in your best interests. A Property and Financial LPA can be used as soon as it is registered and grants powers to deal with your bank account and other financial assets. A Health and Welfare LPA only comes into effect when you lose mental capacity to make your own decisions and allows the attorney to make decisions on your care and medical treatment.

You can read more on our website or request a free posted brochure by telephoning the office.

For individuals or couples obtaining / updating Wills we offer a discounted service which we hope brings peace of mind and makes arranging your affairs simpler. We also offer further discounts for those obtaining LPAs in conjunction with a Will.
