EQUITY RELEASE

**Samantha Newton – CILEx
Conveyancing Practitioner**

"Equity release is a way of gaining access to otherwise tied up equity (money) from your property. It is only available to homeowners over 55 & can be a confusing topic especially for elderly clients. Some have questions about the long-term impacts, or the difference between lifetime mortgages and home reversions, while others may not fully understand what happens when you pass away."

Sam is our specialist in equity release and has a decades experience in conveyancing & is a CILEx Conveyancing Practitioner.

At Thurstan Hoskin we like to take the stress and worry away from you.
