Covid-Secure Will writing service

WE'RE IN THE SQUARE
ST AGNES OFFICE

01872 306 287

Making a Will will help to plan how you would like your assets to be distributed and your estate administered after you pass away, you may also be able to minimise any future tax liability.

We understand the challenges the Covid 19 pandemic has caused to our clients, particularly our older clientele who may feel nervous about attending office meetings. As an accredited member of Solicitors for the Elderly we felt a need to produce a new, safer way of assisting clients with Will writing and other Private client work.

In the first instance when a client phones they will be able to speak with a member of our Private client department (or arrange a call back) to discuss the basic requirements. After this you will be invited for a Skype or WhatsApp video call or a longer telephone appointment to discuss your requirements.

Once your will has been drafted and approved, you will either be sent your wills to sign and have a friend witness at your leisure or you can choose to attend a socially distanced signing from the comfort of your car at our Redruth office - in the event of bad weather we will give you the option to move to one of our Covid-Secure Office meeting rooms.

We hope this helps give clients peace of mind while still being able to plan for the future.

This service can also be adapted for most of our Private client and Conveyancing work.

At Thurstan Hoskin we like to take the worry and stress away from you - get in touch and see how we can help you today.
