WE'RE IN THE SQUARE
ST AGNES OFFICE

The new year is often a time when, following the festive break, many of us are looking to make changes in our lives, be that moving more, drinking less, or getting more organised.

Sometimes these changes can be big decisions about work, where you live or making the necessary arrangements for when you are no longer here or able to look after yourself.

We can help.

Our Private client department can assist with the drafting of Wills, drawing up Lasting Powers of Attorney or generally advising you about what may happen financially when you are no longer around.

Our conveyancing department can assist with the buying and selling of property and land, re-mortgaging and equity release. We also deal with commercial work and can assist clients with either leases or sales/purchases of commercial property and land.

We have just released our 2021 Brochure detailing more information about the services we offer. You can pick a copy up from our offices or download the PDF from our website. If you are unable to pick one up in person you can email us with your address or call and we will send one to you in the post free of charge.

At Thurstan Hoskin we like to take the worry and stress away from you.
